My body will burn with need. My mind will go mad with lust. Then he'll consume my soul.

I thought I knew how to handle a man like him, but there are no men like him. Though he is a billionaire, when he desired me he did not try to buy me, and when he wanted me bared and bound he didn't call his bodyguards. He did it himself, even as I fought him, because he could.

He told me soon I would beg him to ravage me... and I did. But it wasn't the pain of his belt searing my naked backside that drove me to plead with him to use me so shamefully I might never stop blushing. I begged because my body knew its master, and it didn't give me a choice.

But my body is not all he plans to claim. He wants my mind and my soul too, and he will have them. He's going to take so much of me there will be nothing left. He's going to consume me.

Publisher's Note: Consumed includes spankings, rough, intense sexual scenes, and strong D/s themes. If such material offends you, please don't buy this book.
