The New York Times bestselling author of Happens Every Day, Isabel Gillies, presents a fresh and inspiring look at the subtle art of cozyâ€”part manifesto, part lifestyle guide, part memoirâ€”that shows fans of The Little Book of Hygge that true comfort comes from within.

When we talk about being cozy, most of us think of a favorite sweater or a steaming cup of tea on a rainy day. But to Isabel Gillies, coziness goes beyond mere objects. To be truly cozy, she argues, means learning to identify the innermost truth of yourself and carrying it into the world, no matter your environment.

Starting when she was young, Gillies has gradually learned the art and subtle beauty of creating a life where you feel safe, steadied, and at home in the world. From old family recipes and subway rides to jury duty and hospital stays, in Cozy Gillies shows readers that true ease stems not with throw pillows and a candle, but from opportunities to feel that we are part of something bigger than ourselves, and learn to make ourselves at home no matter where we are.

Simple choices can make a hectic life or an uncomfortable situation just a little more comfortableâ€”you just have to know what to do. Just as Marie Kondo offered a philosophy for how to tidy, Gillies offers a new way of occupying the spaces we live in. Starting with yourself, then broadening to your home, your community, and the world at large, Cozy will show you how to bring the truth of who you are into any situation, easy or challenging. As Gillies says, â€œCozy isnâ€™t something that just exists. You have to make cozy happen.â€•

Written with profound warmth and featuring hand-drawn illustrations, this wise, necessary book is call to action for each of us to seek out those often-missed opportunities to care for ourselves, and to begin living a more intimate and authentic life.

Hygge: The Art of Cozy â€” The Classy Simple Life Hygge: Mastering the Art of Cozy For the past year and a half, Iâ€™ve been enjoying minimalism and my own version of hygge. You see, life had become way too fast for me. The Art of Cozy | Milford Living Magazine The Art of Cozy â€” Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a talk beside the fire: it is the time for home.â€• â€”Edith Sitwell. Home design is very subjective. Some people are drawn to traditional; others have an affinity for modern, rustic, eclectic, boho, etc. But there is one home styling element that everyone loves and wantsâ€”the unmistakable feeling of cozy surroundings. Cozy: The Art of Arranging Yourself in the World by Isabel ... Cozy romanticises the little things in life we find small pleasures and comfort in but may fail to take note. Having recently graduated from high school and fallen into a reading slump following my final exams, this book reminded me of habits and traditions I have as a child in relation to reading books.
