A mouthy soccer stud virgin meets the secretive new girl on campus

The last time I got laid was oh right. Never. The only game I have is on the soccer field, where I mostly exist to make my teammates look good. I don't get the glory or the girl, and in true Lavin Saint fashion, the first impression I make to the gorgeous new girl on campus is chair-crashingly, soul-crushingly bad.

Bianca Santos seems undeterred and even intrigued by my inability to form coherent sentences around her, which is why it sucks when I find out she's my coach's niece. Off limits.

Except Bianca doesn't listen to that memo, and the more she focuses on me with those beautiful brown eyes, the less I care about the real possibility of being relegated to the bench. So when I find out she's hiding something that's threatening her, I'm done playing passive defense. I'm on the offensive now, no matter the risk to my sport, my sanity, or my life.

This time, I'm getting the glory. And the girl.

False 9 is a standalone romantic comedy with some sports, a bit of action, and a whole lot of sarcasm. HEA and no cliffhanger.
