For your information, we do not put ebook downloadable The Risk at clubdeexploradores.org, it's only book generator result for the preview.

A sexy standalone novel from New York Times and international bestselling author Elle Kennedy. THE RISK takes you back to the world of hot hockey players, feisty heroines, bro banter, and steamy scenes...

Everyone says Iâ€™m a bad girl. Theyâ€™re only partly rightâ€”I donâ€™t let fear rule me, and I certainly donâ€™t care what people think. But I draw the line at sleeping with the enemy. As the daughter of Briarâ€™s head hockey coach, Iâ€™d be vilified if I hooked up with a player from a rival team.

And thatâ€™s who Jake Connelly is. Harvardâ€™s star forward is arrogant, annoying, and too attractive for his own good. But fate is cruelâ€”I require his help to secure a much-coveted internship, and the sexy jerk isnâ€™t making it easy for me.

I need Connelly to be my fake boyfriend.

For every fake dateâ€”he wants a real one.

Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. But while itâ€™s getting harder and harder to resist Jakeâ€™s oozing sex appeal and cocky grin, I refuse to fall for him.

Thatâ€™s the one risk Iâ€™m not willing to take.

Risk - Wikipedia Risk is the possibility of losing something of value. Values (such as physical health, social status, emotional well-being, or financial wealth) can be gained or lost when taking risk resulting from a given action or inaction, foreseen or unforeseen (planned or not planned.
