There are the old stories. And then there's what actually happens.

Kihrin is a bastard orphan who grew up on storybook tales of long-lost princes and grand quests. When he is claimed against his will as the long-lost son of a treasonous prince, Kihrin finds that being a long-lost prince isn't what the storybooks promised.

Far from living the dream, Kihrin finds himself practically a prisoner, at the mercy of his new family's power plays and ambitions. He also discovers that the storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, true love, and how the hero always wins.

Then again, maybe he's not the hero, for Kihrin isn't destined to save the empire.

He's destined to destroy it . . .

Uniting the worldbuilding of a Brandon Sanderson with the storytelling verve of a Patrick Rothfuss, debut author Jenn Lyons delivers an entirely new and captivating fantasy epic. Prepare to meet the genre's next star.
